Product Description

eXmark 60" Lazer Z X-Series Zero Turn Mower

With options to meet the needs of the most demanding landscape maintenance professionals, our top-rated Exmark Lazer Z X-Series zero-turn mowers represent the state-of-the-art in commercial mowers. Cutting deck options include our massive 96-inch UltraCut Flex Wing cutting deck and select models equipped with our exclusive cut quality enhancing Adapt Technology. Choose from rugged commercial-grade engines, including high-efficiency Electronic Fuel Injection (EFI) options equipped with our exclusive EGov and RED Technology, which can boost fuel efficiency by up to 41%. Lazer Z X-Series zero-turn mower models are available with UltraCut Series 6 decks in 52-, 60-, and 72-inch cutting widths, with or without Adapt Technology, or the 96-inch UltraCut Flex-Wing rear discharge cutting deck.
