Product Description

Billy Goat TKV Self-Propelled Outdoor Vacuum - TKV601SP

The 27" TKV lawn and litter vac offers an integral on-board 2" chipper. Now you can add branches to all your leaf, seed, blooms, mulch, litter and debris cleanup jobs. The TKV is ideal for residential and property maintenance and the self-propelled power takes the chore and fatigue out of hilly turf cleanup. An optional hose kit helps between shrubs, beds and under decks or utilities.

Billy Goat vacuums are so rugged and reliable that many have been in service for over 20 years. Put the power and reliability of a Billy Goat TKV to work on your cleanup projects and depend on its quality operation for years to come.
