### Product Description

## DL3701VE Debris Loader

When commercial productivity counts, these units are our most popular contractor and municipal machines. The all-new discharge chute offers rugged wear and increased life productivity. They respectively feature a 29 HP V-Twin or 37 HP Vanguard EFI engine coupled to our largest 20", 4 or 6-blade, armor-plated impeller with 12 or 18 cutting points and dual shredding Piranha™ technology for up to 12:1 reduction and 4,400 or 5,050 cfm of suction power. The DL3702V's 37 gross HP Vanguard EFI engine delivers easier starting and fuel savings of up to 25% over carbureted equivalents. (DL3701VE pictured.)

### Features -

#### Square Discharge Elbow

This all-new feature offers increased durability, longer life, and ease of service.

#### Dual Shredding System with Piranha Blade

For extra shredding. Serrated blades with cutting points for maximum truck loading and debris reduction up to 12:1.

#### Built-In Rake Holder

Secures the extra clean-up tools needed on the job.

### **DL Warranty**

DL29: limited 3-year engine; DL37: limited 3-year engine
